

October 5, 2011

Innovative Automation has just been named as one of three finalists in the Barrie Mayor's Employer of the Year Award. The award will be handed out at a gala event on Nov 30. Other finalists in this category are OLG Slots and Industrial Safety Trainers.

Innovative won this award back in 2004. What great news for Innovative to once again be a finalist!

The entire list of awards and finalists were just released at a press reception today.
